ABOUT ME

A dedicated and detail-oriented Computer Science graduate with a strong foundation in web development, particularly in PHP and Laravel framework. Eager to contribute to dynamic projects where I can apply my technical skills in full-stack web development. Proficient in designing responsive and user-friendly interfaces using HTML5, CSS3, and JavaScript, with a focus on creating efficient and scalable backend systems using Laravel. Quick learner, excellent team player, and passionate about staying updated with the latest technologies in web development.

WORK EXPERIENCE

Freelance Laravel Developer

- Created custom Laravel applications according to client specifications.
- Designed and implemented database schemas using MySQL for optimal performance.
- Integrated third-party APIs for payment gateways and other functionalities.
- Conducted testing and debugging to ensure application functionality and user satisfaction.
- Provided documentation and training to clients for seamless application deployment.

SOFTWARE SKILL

HTML-S/CSS-3	PHP
Laravel	JavaScript
MySQL	Bootstrap
